ORDER NO. 755 CONCERNING AN ADDITIONAL GLOBAL RESELLER EXPEDITED
PACKAGE CONTRACTS 1 NEGOTIATED SERVICE AGREEMENT**

(July 6, 2011)

On June 30, 2011, the Postal Regulatory Commission (Commission) issued Order No. 755, adding the specific agreement that is the subject of this docket (CP2011-65 agreement) to the Global Reseller Expedited Package Contracts 1 product.¹ In that Order, the Commission stated that the Postal Service had not included financial worksheets for one of the pricing annexes to the CP2011-65 agreement.² This filing responds to the Commission's request that the Postal Service notify the Commission by July 6, 2011, of the reasons for the pricing annex's omission.³

The financial workpapers filed by the Postal Service in this docket on June 14, 2011, were based on the information that the Postal Service had at the time of filing concerning the postage paid by the customer for Qualifying Mail shipped under the agreement that is the subject of PRC Docket No. CP2010-36 (CP2010-36 agreement). The information available at the time of filing indicated that the customer paid postage for Qualifying Mail shipped under only one of the two pricing annexes in the CP2010-36

agreement, Annex 2. At the time of filing, the customer had not provided the Postal Service with projections concerning Qualifying Mail that it might ship under Annex 1 of the CP2011-65 agreement.

After the Commission issued Order No. 755 on June 30, 2011, the customer provided the Postal Service with projections for Qualifying Mail that it might ship under Annex 1 of the CP2011-65 agreement. Because the information requires further analysis, the Postal Service intends to furnish updated financials in support of this contract shortly.
